EXPERIENCE THE SOCRATIC DIFFERENCE

Every good decision begins with a conversation.

Questions. Conversation. Reflection. Decisions.

An open and structured Socratic forum among peers and senior leaders, convened around the high stakes, daily realities, and pressures of leadership, held in absolute confidence.

WHO'S HOSTING THE TABLE?

Eight seats. One Socratic dialogue.

LOUIS DUMAS

Ethics & Leadership Coaching
Former Canadian Ambassador

A trained coach who pairs a strong ethical framework with decades of leading change, helping leaders challenge assumptions, sharpen their thinking, and act with judgement, clarity and courage.

OKSANA NIEDZIELSKI

Strategic Design & Foresight
Human-Centred Practice

A strategic designer who pairs strategic foresight with human-centred strategy, helping leaders sense what is changing, turn complexity into clear strategy and aligned action, and connect where an organisation needs to go with how its people get there.

VALENTIN NEDELCU

Operations & Execution Partner
Lean Operating Models & Scale

An operations and execution partner who pairs lean operating models with systems thinking, helping leaders uncover the hidden waste that stalls growth, drains time and cuts profits, and replace redundant workflows and delayed decisions with lean, scalable structures.
